Washington, D.C. 20505

National Intelligence Council

7 August 1985

Dr. Henry S. Rowen  
Graduate School of Business  
Stanford University  
Stanford, California 94305

Dear Harry:

Thank you very much for your participation in our Conference. Your presence was much appreciated by me and I believe that our attendees were treated to an important review of the long-term issues. Several of the points which you raised have been incorporated into the paper.

Enclosed is the USSR Energy Atlas which I mentioned to you. Also, I am following up with Bob Gates on the other matter which you raised.

Best Regards,

David B. Low

Acting National Intelligence Officer at  
Large
